

What is an Entrepreneur?

An entrepreneur is an individual who creates a new business, bearing most of the risks and enjoying most of the rewards. The entrepreneur is commonly seen as an innovator, a source of new ideas, goods, services, and business/or procedures.

INDUSTRY CERTIFICATE:

Entrepreneurship/Small Business Startup Certificate

Whether it is a beauty salon in a large metropolitan city, a taco shop in a booming resort location, or a car repair garage in the suburbs, an incredible number of small businesses can be found almost everywhere. In fact, in a recent report from Business.com, every minute a new business is started in the U.S. and according to some, more than 50% of all workers will be self-employed by 2020 . (The State of Small Business in America , 2015, Business.com, emphasis added.)

ESB Certification engages and prepares students who will pursue additional postsecondary training or those who elect to enter the small business sector immediately upon high school graduation. The entrepreneurial concepts validated by this certification ensure that these students are college and career ready.
