# Programs

that engage

Global Arts offers a supportive environment for students to explore the arts and continue to develop their artistic skills.

Enjoy workshops, field trips, guest artists, performances, historic credit, college courses and online classes.

**for students who are passionate about creativity**

Global Sports is an online high school program for student-athletes who want to compete in **CHSAA Sports** or sports throughout the nation. These students are on the **NCAA Pathway**, taking their skill set to the next level of collegiate athletics programs.

Students have the opportunity to focus on academics while participating in sports specific training, moving them to some of their athletic goals.

**for students who are passionate about athletic excellence**

# global **MAKER**

The Global Maker Program provides supplies and support allowing interested students to experiment 3D printers, hand and power tools, circuits, robotics and indoor and outdoor gardening.

Students can also explore their artistic side along with their STEM side by creating arts and crafts projects as well.

**for students who are passionate about making**

Teen Parenting Mentors offer support and resources to assist in the challenges that come with parenting while continuing and maintaining your education.

Mentors act as positive reinforcement outside of the home and the workplace. Mentors understand the difficulties that arise from raising a child and completing your education and will offer the support you need to achieve your goals!

**for students who need parenting support**

# global internships

Internships are beneficial because they help develop your professional aptitude, strengthen personal character, and provide a greater door to opportunity. By investing in internships, you'll give yourself the broadest spectrum of opportunity when seeking and applying for a job after college.

**for students who want experience**

# CAREER NOW

- demonstrate mastery in a concentrated program for those who are under credited.
- ***earn a Competency Based Certificate of Completion***
- ***earn an ACT National Career Readiness Certificate***
- prepare yourself for the workplace
- graduate!

**for students who are seeking workforce readiness opportunities**

# CONCURRENT enrollment

- take college level courses free of charge
- gain credits toward certificates and degrees
- explore fields you are interested in

**for students who desire an accelerated path**

**Career Pathways** that work
